***This is the guide price, specific requirements and objectives for the venue are required for an exact price.

Event Support – price excludes travel and accommodation

This is on the day support. Price is per person required. We will cover the following roles; Steward / usher, box office, stagehand, bar/confectionary seller. This list is not limited, our staff will turn up at least 30 minutes before audience start arriving and will take no responsibility or liability in the organisation in the running of the event.

Event Management Support – price excludes travel and accommodation

This is on the day support. Price is per person required. We will cover the following roles; House Manager, Stage Manager, Bar Manager. This list is not limited, our staff take will arrive at least 1 hour before the audience arrive, while they will oversee the running of the event by being the responsible person, they will have no liability for details of the event going wrong, to this end it is encouraged to meet with our staff at least once before the event to fully discuss details.

Health and Safety Risk Assessments

Our staff have obtained the Creative Industry IOSH Passport in association with BECTU, which aimed to improve safety standards within the industry.

We will look over Risk Assessments, make making sure they are in line with current legislations, make recommendations and where requested we can put them into a standard format. The service also includes a look at current working practise and procedures within the organisation or an event and will make recommendations if required.

Theatre Operator

Unlike most theatre operators we do not become tenants. A Ticket 2 Ride Entertainment believes theatres should belong to communities in which they stand.

We operate under a fixed term contract, what this means is that you pay a fixed fee for us to take full responsibility for the day to day running, while developing the programmes and processes while acting as adviser to the board for the duration.

The length of most of our contracts are between 5 and 10 years and includes most of our services featured on our price list.

Arts Volunteer Network – price decreases as more organisations join

Set up as part of The New Greatest Show Project, this online network has been built in conjunction with the company that supports organisations like the Salvation Army. You will be able to standardise it your own needs. Volunteers can move between organisations, both locally and geographically. Organisations joined to this while network can already see what volunteers have done previously as well as how many hours they have served.
